

Little Prayers

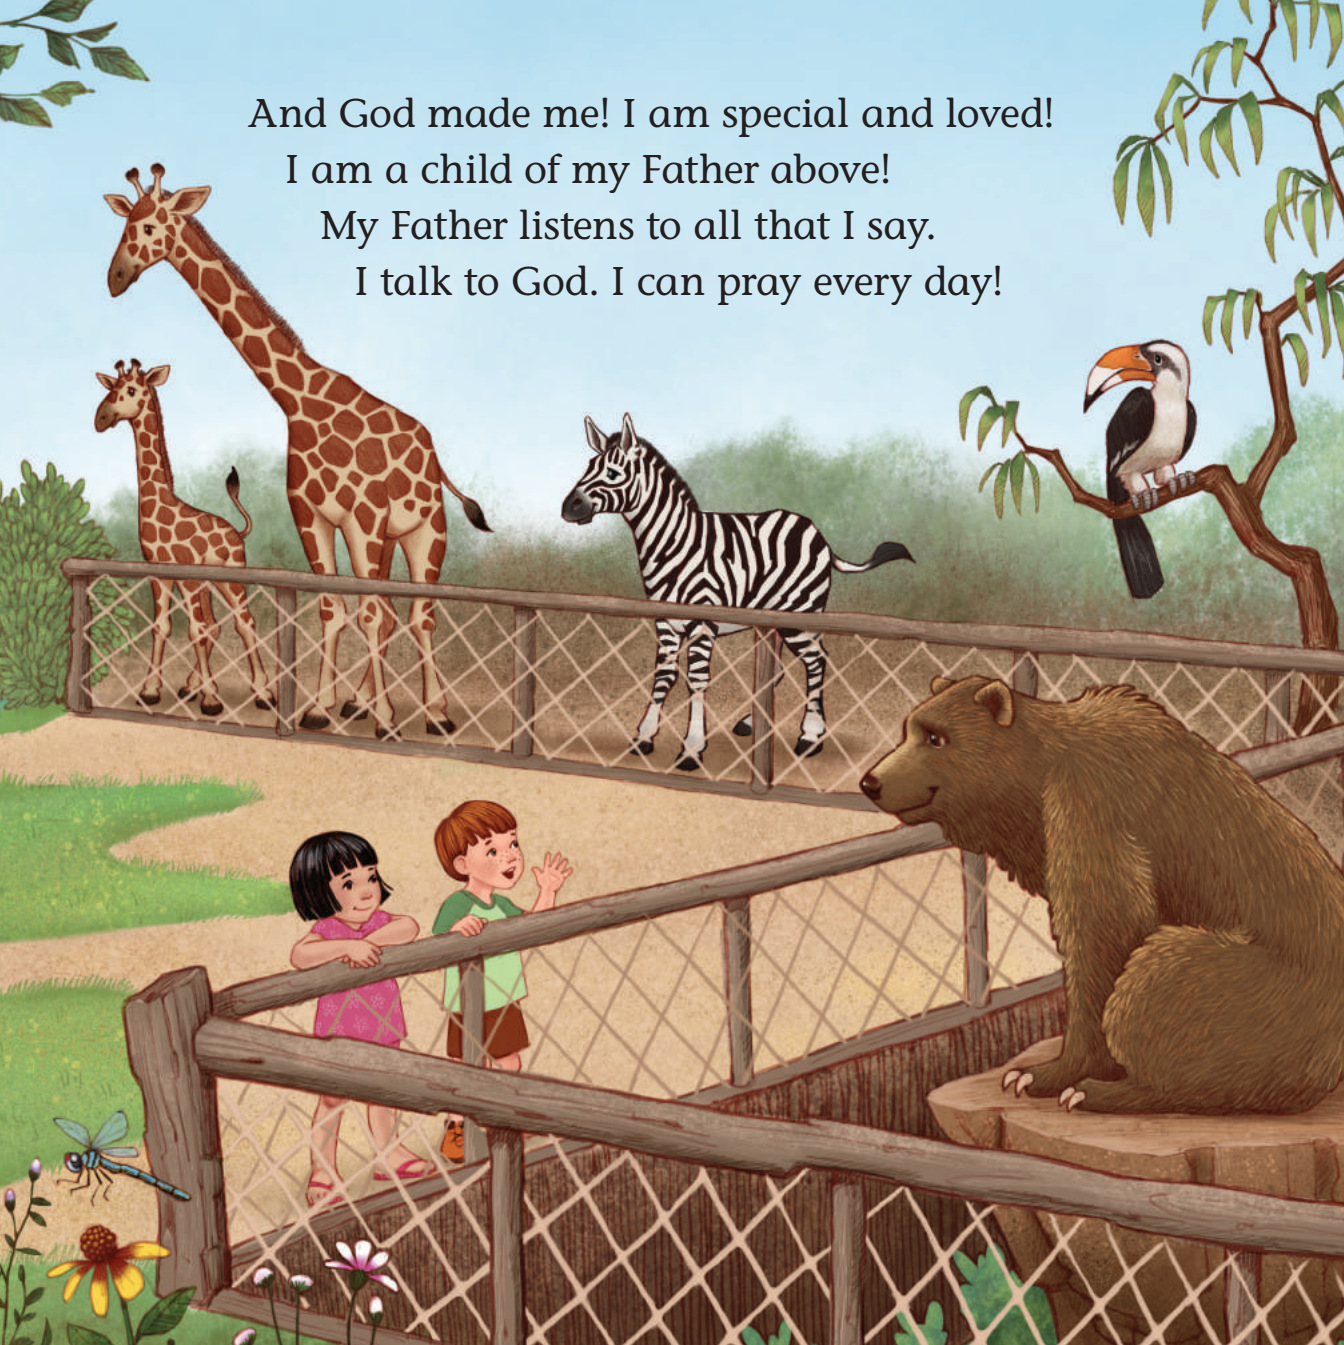

for Little Ones

God made our world and everything in it—
the big brown bears
and the chirping crickets.
God made giant giraffes and busy bees.
God made lovely lakes and very tall trees.

And God made me! I am special and loved!
I am a child of my Father above!
My Father listens to all that I say.
I talk to God. I can pray every day!

I adore God!

God, I love raindrops that bounce off my boots,
flowers so pretty, and bright, juicy fruits!

Your cuddly kittens are so soft and sweet.
I love to wake up and hear your birds tweet!
